The reason then urged for the transfer was that the chattram at Bhikballapur was doing very good work, but had no funds and that the Bisle chattram which had a tasdik of Rs 104 per annum did not require more than half of it. The transfer was not limited to any period & it was, therefore, a permanent one

2. The reason now urged for the resumption of the grant is that expenditure at the Bisle chattram is growing, as also that of Barabazar, Santarpane, and that it has been found difficult to find the ways & means to meet them.

3. The Mug: Coun, therefore, recommends that the ~~the~~ annual grant of Rs 150/- to the Bhikballapur chattram from the Bisle chattram may be discontinued, and ~~cont~~ paid from the sum of Rs 2100 held in reserve "to place on a footing of greater usefulness certain chattrams at important places". To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department

Bangalore.

Sir,

I have the honor to state that Government in their Order No. 33-36/ .F.339-08-4 dated 7th July 1909 sanctioned the assignment of a sum of ₹ 150/- out of the grant of the Bisle Rama Devaru chattram in the Manjarabad Taluk in favor of the Local Fund chattram at Chickballapur which was reported to be doing good work. This arrangement which took effect from 1st July 1909 is still being continued.

2. The late Muzrai Superintendent and Secretary to Government (Mr. T.E. Jayarama Aiyar) who visited Bisle en-route to Subrahmanya during the "Shasti festival" of 1921 observed as follows in his notes of inspection:--

"The provision of funds for the feeding at Bisle (₹ 350/-) is hardly sufficient there being no other place where the innumerable pilgrims that resort to Subrahmanya can possibly get a meal. Further the building is in a dilapidated condition and if it is not repaired immediately, a very large sum will have to be spent later. When the Bisle chattram badly requires money for its own upkeep, the diversion of ₹ 150/- per annum from its funds to the chattram at Chickballapur is strongly objected to locally and can hardly be justified. I would therefore recommend

recommend the discontinuance of the grant to the Chikballapur chattram from 1st July 1928.

Consequent on this recommendation, the Muzrai Superintendent submitted a revised scale of expenditure in the Sakalespur and Bisle chattrams and these recommendations were also agreed to by the Deputy Commissioner of the Hassan District.

3. But before submitting the matter for the orders of Government, it was thought necessary that the Deputy Commissioner of the Kolar District should be given an opportunity to note his views on the proposal. The Deputy Commissioner who was written to reports that the chattram deserves the continuance of the grant for a further period of 3 years.

4. The expenditure on account of Sarahazar Santarpane at Subrahmanya and of feeding in Bisle and Sakalespur chattrams is ever on the increase and the question as to how to meet this growing expenditure is under consideration separately. As the chattrams at Bisle and Sakalespur are subsidiary institutions attached to the Sarahazar Santarpane, it is proposed to consider all these institutions as one and regulate the expenditure accordingly.

Ways and means to meet the travelling and other expenses of the Brahmin bringing Thirtha and Prasada from Subrahmanya for presentation to His Highness the Maharaja and the pay and paditara expenses of Sri Anjaneyaswami newly consecrated in the Bisle chattram have to be immediately thought of.

The existing scale of expenditure having allowed no annual reserve even for petty repairs of the chattram building, demands had to be made upon the interest-earnings of the General Muzrai Fund for meeting its legitimate requirements.

Owing to removal of plague restrictions and various other causes, the congregation at these annual functions is steadily increasing and all possible resources have to be conserved for meeting

meeting the increased expenditure.

5. For those reasons, I beg to propose that [illegible] may be discontinued with effect from the current [illegible] and credited to the Basic Chattrau.
